

The latest news from Ware Youth Football Club

News

Welcome back to our monthly club newsletter. The aim of our newsletter is to highlight and celebrate all of our talented players and teams as well as informing you of any changes or events happening at the club.

The football season is in full swing and we have already seen some of our teams move across divisions. With not much news to report - we will keep this newsletter short and sweet.

The past few weeks we have seen our car park and surrounding roads outside of the club become more congested. To allow for a smoother flow of cars we have decided to re-schedule our KO times with longer periods between matches to allow time for visitors to leave. Therefore, we will start utilising the kick off timeframe (anytime between 10am-3pm). This will mean later kick off times will be scheduled for teams more often.

Please note the defibrillator has been moved from the kitchen area to the foyer entrance.

If you have any stories or announcements you would like to be highlighted in future issues please email chairman@wareyouthfootballclub.co.uk

Vacancy

Car Park Assistant - We are still on the look out for an individual to help manage our car park on Saturday and/or Sunday mornings.
