

Good evening,

The Season is Back!

Welcome back to all players, parents, and managers and all those new to the club this season. You should have all received a welcome document via TeamFeePay. If not, you can also find it on our website [here](#).

Ware United

You may have noticed some exciting changes this season! Our club has grown, and we are proud to now offer EJA football with two teams competing. In addition, we have three men's teams and a ladies' team. These senior teams all fall under the Ware United name — they are very much part of our club and not a separate entity.

To keep up to date with our Men's teams, you can read their monthly newsletters [here](#).

We encourage you to continue supporting all our teams. Follow our social media accounts, like, comment, and share our posts to help boost our engagement and spread the word about our club. We are growing fast, and the demand to join is higher than ever!

4G Fundraising

We are trying our best to build a fundraising army to support us in our mission to raise as much money as possible towards our 4G pitch dream. If you know any potential investors or have ideas on how we can speed up this process, we would love to hear from you!

Please support our fundraising events — every little bit helps! Here are the upcoming events:

- **Clubhouse Open - Saturday 1st November** - No need to book, just turn up! The clubhouse opens from 4:30 pm. Watch the Ware fireworks in comfort at the club and avoid the crowds.
- **Ware United Dinner & Dance - Saturday 8th November** - An evening put on by our men's teams but open to all! The committee will be there, and it promises to be a great night. Limited tickets left, so book quickly! [Book your tickets here](#)
- **Ware Youth Christmas Bingo and Disco - Saturday 6th December** - Join us for a night of Disco, Bingo and Festive Fun in support of Ware Youth Football Club. £5 per ticket. [Book your tickets here](#)
- **Last Man Standing Competition** - Starts 18th October - We're running a Last Man Standing competition, organised by one of our coaches, Scott! Here's how it works:
 - Each week, you pick one football team you think will win their match.
 - If your team wins, you move on to the next week.
 - If your team loses or draws, you're out of the competition.
 - The goal is to be the last person standing by correctly picking winning teams week after week.

It's a fun way to get involved, test your football knowledge, and support the club! If you'd like to join or want more details, please contact Scott at 07514367765.

You can donate or share our GoFundMe page here:

Head of Girls Football

James Morris, our Youth Coordinator, has taken on an additional role within the club as Head of Girls Football. We're excited to have James leading the development and growth of our girls' teams moving forward.

New Committee Member

We are excited to welcome Matt Culling back to the committee as the Head of Men's Football. Over the past two seasons, Matt has done an amazing job pushing forward the men's teams and continues to drive them in the right direction.

Having previously served as a committee member nearly 10 years ago, it's fantastic to have Matt back on board.

Communication

While we rely on our managers to share updates through team WhatsApp groups, it's important that you also follow our social media channels and check our website regularly to stay up to date with the latest news, events, and important club information. Instagram: @wareyouthfc/ @wareunitedfc Facebook: @wareyouthfc X: @wareyouthfc

That's all for now. We wish all our teams the very best in the season ahead. Let's keep the momentum going and continue to push forward together.

Kind regards,

Dan Slattery

Chairman
