

The latest news from Ware Youth Football Club

Welcome

Welcome back to our club newsletter. We hope you all enjoyed the break from football over the summer holidays and feel ready to take on another season of grassroots football.

Good luck to all our teams and coaches this season and to those beginning their footballing journey. Please remind all players to respect their team mates, coaches and referees. Parents, please remember to encourage players and leave the coaching to the coaches.

Improving communication in and around the club has been a priority for the committee for 2023, and we hope our newsletters add an additional connection between the club, its members and the community.

SUPPORT THE PLAY SAFE WEEKEND - 30TH SEPT/1ST OCT

At the end of this month, English football at every level will unite to promote Play Safe – a national campaign to focus attention of the vital importance of safeguarding in our national game.

We are proud to be supporting Play Safe on our website and social media channels – and also by making an online Play Safe Pledge. Our pledge will see our youth team captains wear the Play Safe armbands, Listen to youth players' views - and work with them on changes that can be made and ensure safeguarding information is up to date on our website/social media.

This year's Play Safe weekend has two main messages:

- 'Everyone, everywhere, every time' should have an understanding of safeguarding in football;
- Everyone should 'watch, listen, talk and act' if they have any safeguarding concerns.

If you have a safeguarding concern, or would like some advice, contact Kris at welfare@wareyouthfootballclub.co.uk

Together, let's create an ever-safer culture across the game we all love.
