Spurs Disclaimer "Whilst we endeavour to play our strongest Spurs Legends Team, we cannot guarantee the appearance of any individual player. We will always honour fixtures and we reserve the right to play the strongest squad possible available to us on the day."

Congratulations to Ava from our U11s who recently scored her 100th league goal for the club. Only the 2nd girl to reach this target and amazingly taking less than 50 games to get there. Keep on scoring Ava!

Well done to three of our U10 Stripes players (Ralphie Joiner, Ted Teagle & Freddie Attwood) who represented Cambridge United and Stevenage Borough United over the half term. Fantastic Boys! Keep up the great work.
