The latest news from Ware Youth Football Club

Hello and welcome to the first edition of our monthly newsletters.

We hope you find this publication useful in finding out the latest news and feel involved with Ware Youth Football Club.

We want this newsletter to highlight and celebrate all of our talented players and teams - so if you have any stories or announcements you would like to be highlighted in future issues please email [chairman@wareyouthfootballclub.co.uk](mailto:chairman@wareyouthfootballclub.co.uk)

Our grassroots football club continues to grow, and although we have lost a few players and coaches this season we have gained 6 new teams plus new coaches, assistants and volunteers.

Did you know...we also offer free goalkeeper coaching to our registered players on Friday evenings. For more information please contact your child's coach.

We are now selling ice creams in the club house!

## News

Our 21/22 season came to a close with three successful weekends of tournaments. The standard of football was phenomenal and there was some fantastic football on show. Congratulations again to all winners and a big thank you to all the teams that participated. We hope to see you next year!

An AGM held in July confirmed the roles of our committee members. Dan Slattery was voted in as solo chairman and will be leading the club forward with support from Dean Cornish (Vice Chairman). Thank you to Stephen Hughes for all of his help and time given at WYFC. Stephen will continue to be part of the club as coach for the U15 Royals. For more information on committee members please visit our website.

You may have noticed some changes already to Ware Youth.

- This season we trialled electronic registration forms. Although there was some initial hiccups we believe this process is easier and faster for busy parents.

- Our website has been redesigned and now includes much more information about our club, teams and sponsors. Click [here](#) to take a look.
- There has been a big focus on health and safety and ensuring the club is compliant with all legislations required.

We are looking to make further changes throughout the season to enhance the club and keep parents, coaches and players more involved. Please communicate any suggestions you may have.
